Mrs. Isabel Garbaccio, Hermosa Beach, Sept. 21 for surgery; Miss Eileen Keaveny, Redondo Beach, Sept. 19 for surgery; Miss Dorothy Reddington, 1617 Arlington ave., Sept. 18 for surgery; Mrs. Mary J. Swanson Gardena, Sept. 21 for surgery and Miss Dorothy Ward, El Nido, Sept. 21 for surgery.

Foncannon's Latest Home Open to Public

Coincident with the fifth anniversary of his firm in the Torrance area, James L. Foncannon, builder will open for public inspection his latest residential building at 2224 Torrance blvd. this week.

Open all day Saturday and Sunday, Sept. 27 and 28, the new home just completed by Foncannon, embraces many new and original design features. With a boy's room designed as a ship's cabin, a mahogany paneled den, and a "pullman" kitchen, the house is definitely a showplace among Torrance's newer dwellings.

Foncannon established his business in Torrance only five years ago and has built to date more than 100 houses here. Also operating a cabinet and custom furniture shop, the builder has expanded that part of his business from original garage hobbysize to over 4,200 square feet of shop and factory room.

The firm's continued growth keeping pace with building of fine homes in the South Bay area now employs 30 men compared to the original two-man shop of five years back.

Residents Near H. S. Having Parking Troubles

A number of residents near the high school complained by letter to the city council Tuesday night that they were having trouble finding parking places for their cars near their homes on account of the number of cars being stationed in the vicinity during school hours. Councilman George V. Powell pointed out that the school has a parking lot in the rear of the buildings and suggested that a parking limit be established for the streets adjoining the school. The matter was referred to the Police committee for recommendation at the next meeting.
